In addition to ensuring that each student has a positive and educational experience, My Life! My Plan! aims to confirm that 3 primary goals are met during each workshop. At Bradley Tech High School, the following benchmarks have been successfully completed:

- ✓ *98% of all participating students have created short and long term goals by completing the "My Next Steps" worksheet – Please ask your coordinator if you would like copies for your review.*
- ✓ *100% of participating students have identified a career or career cluster of interest and have saved it to their plan in Career Cruising.*
- ✓ *100% of participating students have completed at least one interest assessment on Career Cruising.*

How do the students feel?

95% of respondents now feel more confident about making a career choice that would be a good match for their interests, abilities, strengths/skills, and talents.

96% of respondents now have a better understanding of the future education pathway alternatives that will help them achieve their career goals.

93% of respondents now have a better plan (or need to make adjustments to their current plan) for the classes, volunteer, and work experience, activities, etc. they need to take for the remainder of high school that will support their career goals.

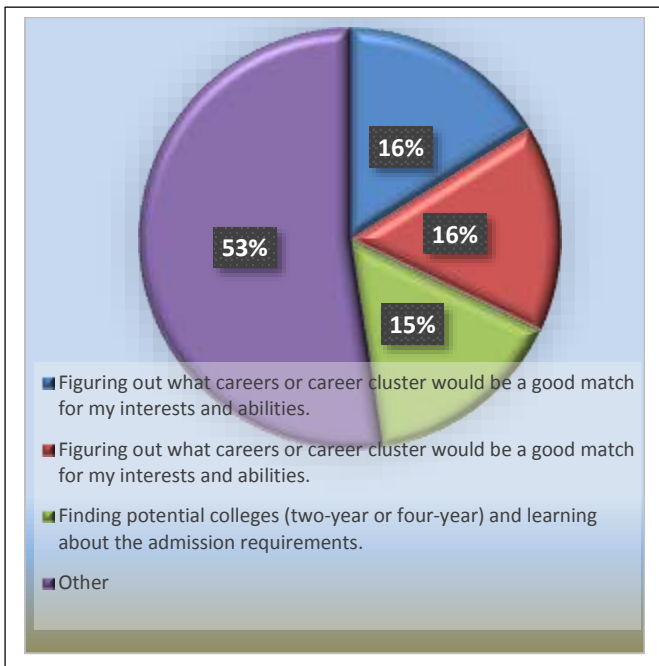

At the end of each workshop, students were asked to identify their top Career Cluster preferences. Of the 132 students who participated in the survey at Bradley Tech High School during the 2014 - 2015 school year, these were the top selections:

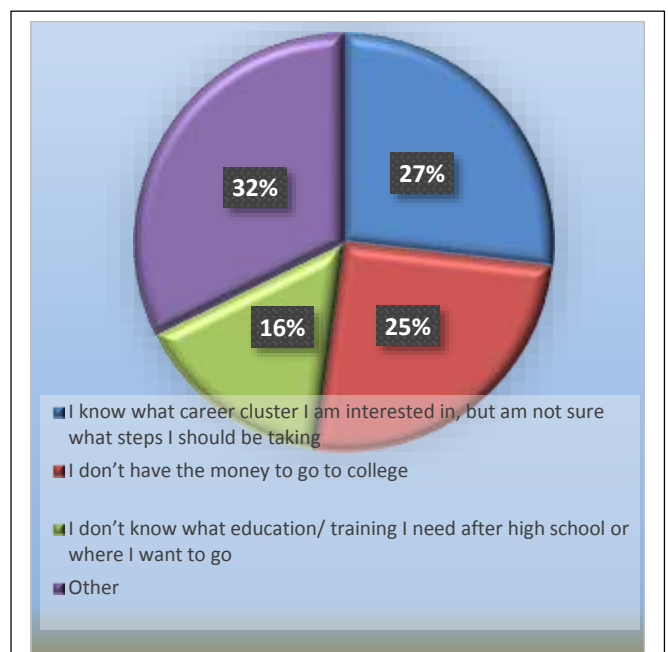

Career Cluster Preference	# of Students
Arts, A/V Technology & Communications	48
Design & Technology	37
Health Science	35
Science, Technology, Engineering & Mathematics	30
Human Services	25

Students were asked...

What do you feel are the MOST important topics to research regarding your future career and education plans?

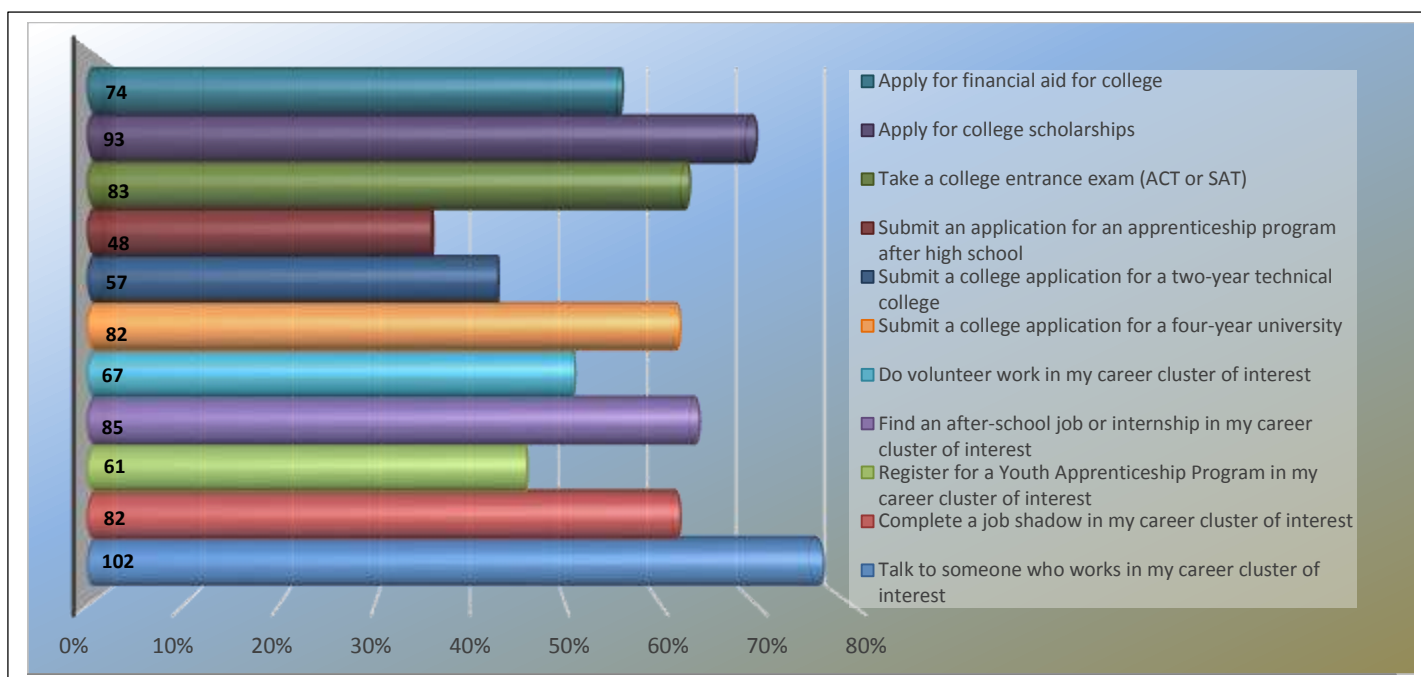

What is/are the greatest barrier(s) you face in achieving your career goals?

"The most helpful part of this workshop was learning about my Career Coach's career path and his connections. He was able to teach me about some of the careers I was interested in, even though it's a different path from what he's involved in."

Tell us about your future plans. Please select ALL the steps that you intend to complete as part of your plan.

My Life! My Plan! walks students through the first steps in exploring in-demand career pathways – but the work doesn’t stop there! At Bradley Tech High School, counselors will continue to work with the participating students, focusing on the following next steps:

- A counselor or teacher will meet individually with participating students to track progress
- Work with college/career readiness partners to track progress
- MLMP information will be used in conferences with parents and/or students
- MLMP information will be used to help students choose future courses
- Data on Career Cluster interests will be used to plan future career-related activities and experiences (job shadowing, fieldtrips, etc.)
- Conduct follow-up activities to further develop plan and encourage progress

The My Life! My Plan! Career Coach volunteers play a HUGE role in the success of a workshop. At Bradley Tech High School, 100% of participating students have indicated that their Career Coaches made a positive impact on their experience.
