

My Life! My Plan! Report: James Groppi High School

2014 - 2015 School Year

Site Report Highlights:

- 40% of participating students have indicated an interest in Arts, A/V Technology & Communications as their top Career Cluster choice
- 73% of participating students plan to talk to someone in their Career Cluster of interest as their next step in researching their career goals
- 56% of participating students have indicated that their greatest barrier to obtaining future career and employment goals is indecision regarding their Career Cluster of interest

	# of Students	# of Coaches	# of Workshops
November 14, 2014	16	6	1
Groppi's Total	16	6	1
2014-15 MLMP Total	1,829	357	72

In addition to ensuring that each student has a positive and educational experience, My Life! My Plan! aims to confirm that 3 primary goals are met during each workshop. At James Groppi High School the following benchmarks have been successfully completed:

- ✓ *56% of all participating students have created short and long term goals by completing the "My Next Steps" worksheet - Please ask your coordinator if you would like copies for your review.*
- ✓ *100% of participating students have identified a career or career cluster of interest and have saved it to their plan in Career Cruising.*
- ✓ *100% of participating students have completed at least one interest assessment on Career Cruising.*

How do the students feel?

100% of respondents now feel more confident about making a career choice that would be a good match for their interests, abilities, strengths/skills, and talents.

100% of respondents now have a better understanding of the future education pathway alternatives that will help them achieve their career goals.

100% of respondents now have a better plan (or need to make adjustments to their current plan) for the classes, volunteer, and work experience, activities, etc. they need to take for the remainder of high school that will support their career goals.

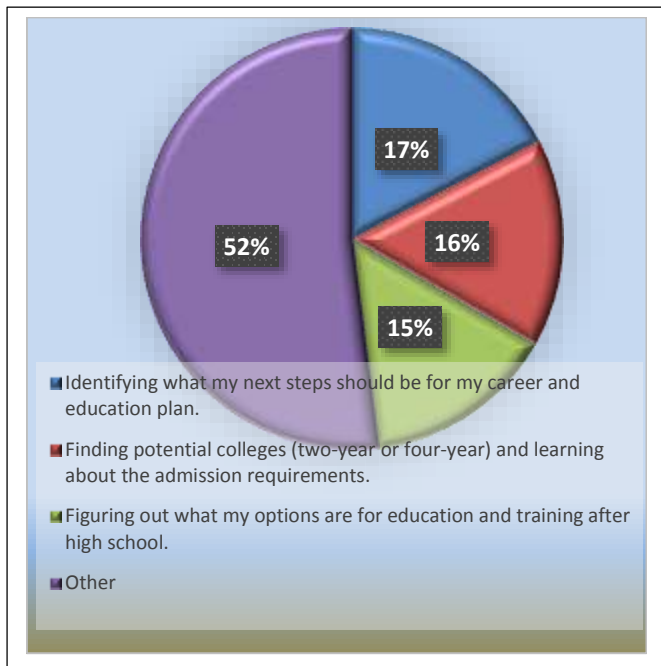

At the end of each workshop, students were asked to identify their top Career Cluster preferences. Of the 15 students who participated in the survey at James Groppi High School during the 2014 – 2015 school year, these were the top selections:

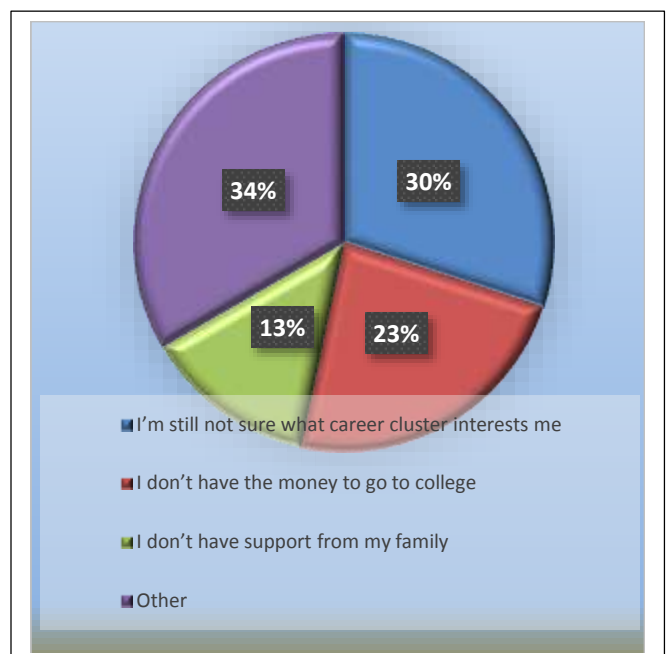

Career Cluster Preference	# of Students
Arts, A/V Technology & Communications	6
Human Services	6
Design & Technology	5
Food & Beverage	4
Transportation, Distribution & Logistics	3

Students were asked...

What do you feel are the MOST important topics to research regarding your future career and education plans?

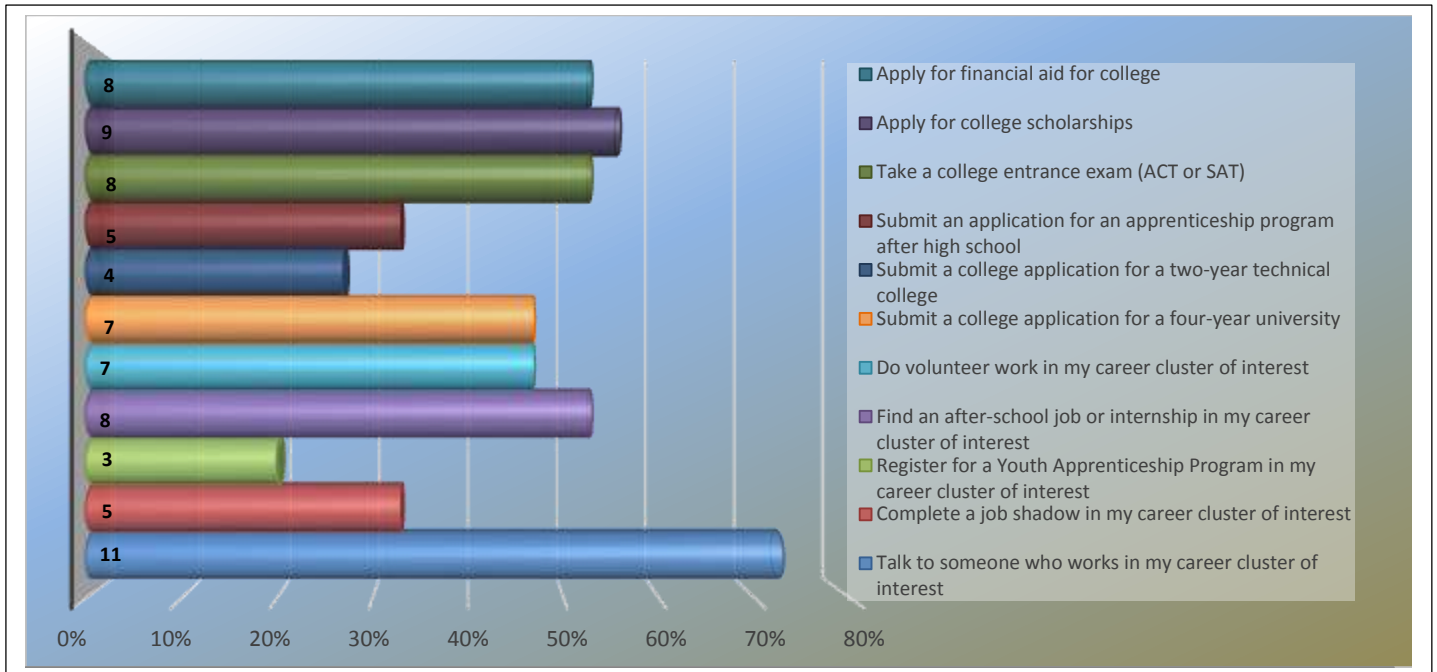

What is/are the greatest barrier(s) you face in achieving your career goals?

"I was able to sit with my Career Coach & learn about how they got to be where they are in their job. She helped me figure out what my next steps need to be in order to achieve my goals."

-James Groppi High School Student

Tell us about your future plans. Please select ALL the steps that you intend to complete as part of your plan.

My Life! My Plan! walks students through the first steps in exploring in-demand career pathways – but the work doesn’t stop there! James Groppi High School counselors will continue to work with the participating students, focusing on the following next steps:

- Work with college/career readiness partners to track progress
- My Life! My Plan! information will be sent home to parents (My Next Steps)
- Data on Career Cluster interests will be used to plan future career-related activities and experiences (job shadowing, fieldtrips, etc.)

The My Life! My Plan! Career Coach volunteers play a HUGE role in the success of a workshop. At James Groppi High School, 100% of participating students have indicated that their Career Coaches made a positive impact on their experience. A special thank you goes out to the Groppi volunteers:
