How do the students feel?

99% of respondents now feel more confident about making a career choice that would be a good match for their interests, abilities, strengths/skills, and talents.

95% of respondents now have a better understanding of the future education pathway alternatives that will help them achieve their career goals.

97% of respondents now have a better plan (or need to make adjustments to their current plan) for the classes, volunteer, and work experience, activities, etc. they need to take for the remainder of high school that will support their career goals.

*In addition to ensuring that each student has a positive and educational experience, My Life! My Plan! aims to confirm that 3 primary goals are met during each workshop. At Morse*Marshall, the following benchmarks have been successfully completed:*

- ✓ *96% of all participating students have created short and long term goals by completing the "My Next Steps" worksheet - Please ask your coordinator if you would like copies for your review.*
- ✓ *100% of participating students have identified a career or career cluster of interest and have saved it to their plan in Career Cruising.*
- ✓ *100% of participating students have completed at least one interest assessment on Career Cruising.*

At the end of each workshop, students were asked to identify their top Career Cluster preferences. Of the 125 students who participated in the survey at Morse*Marshall School for the Gifted and Talented during the 2014 - 2015 school year, these were the top selections:

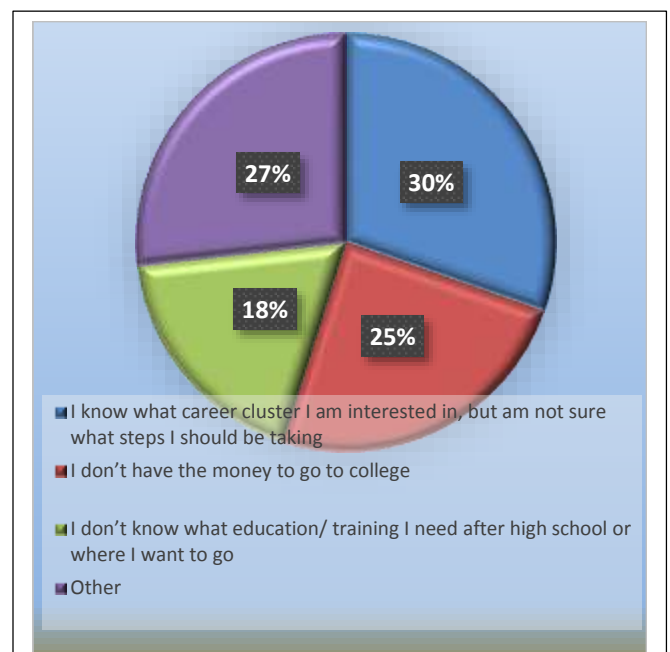

Career Cluster Preference	# of Students
Arts, A/V Technology & Communications	44
Design & Technology	44
Food & Beverage	30
Science, Technology, Engineering & Mathematics	29
Health Science	28

Students were asked...

What do you feel are the MOST important topics to research regarding your future career and education plans?

What is/are the greatest barrier(s) you face in achieving your career goals?

"Learning about Career Clusters was really helpful. I now know there are many opportunities available to me and I know how to go about getting answers to my questions about my future educational and career goals."
 -Morse*Marshall Student

Tell us about your future plans. Please select ALL the steps that you intend to complete as part of your plan.

My Life! My Plan! walks students through the first steps in exploring in-demand career pathways – but the work doesn’t stop there! Morse*Marshall School for the Gifted and Talented counselors will continue to work with the participating students, focusing on the following next steps:

- A counselor or teacher will meet individually with participating students to track progress
- MLMP information will be used in conferences with parents and/or students
- MLMP information will be used to help students choose future courses
- MLMP information will be sent home to parents (My Next Steps)
- Data on Career Cluster interests will be used to plan future career-related activities and experiences (job-shadowing, fieldtrips, etc.)
- Conduct follow-up activities to further develop plan and encourage progress
- The 9th grade students will be working on career research papers in English class

The My Life! My Plan! Career Coach volunteers play a HUGE role in the success of a workshop. At Morse*Marshall School for the Gifted and Talented, 100% of participating students have indicated that their Career Coaches made a positive impact on their experience. A special thank you goes out to the Morse*Marshall volunteers who are represented by the following businesses and community organizations:
