How do the students feel?

99% of respondents now feel more confident about making a career choice that would be a good match for their interests, abilities, strengths/skills, and talents.

94% of respondents now have a better understanding of the future education pathway alternatives that will help them achieve their career goals.

96% of respondents now have a better plan (or need to make adjustments to their current plan) for the classes, volunteer, and work experience, activities, etc. they need to take for the remainder of high school that will support their career goals.

In addition to ensuring that each student has a positive and educational experience, My Life! My Plan! aims to confirm that 3 primary goals are met during each workshop. At Pulaski High School, the following benchmarks have been successfully completed:

- ✓ 91% of all participating students have created short and long term goals by completing the "My Next Steps" worksheet - Please ask your coordinator if you would like copies for your review.
- ✓ 100% of participating students have identified a career or career cluster of interest and have saved it to their plan in Career Cruising.
- ✓ 100% of participating students have completed at least one interest assessment on Career Cruising.

At the end of each workshop, students were asked to identify their top Career Cluster preferences. Of the 62 students who participated in the survey at Pulaski High School during the 2014 - 2015 school year, these were the top selections:

Career Cluster Preference	# of Students
Arts, A/V Technology & Communication	19
Science, Technology, Engineering & Mathematics	15
Design & Technology	12
Manufacturing	12
Human Services	10

Students were asked...

What do you feel are the MOST important topics to research regarding your future career and education plans?

What is/are the greatest barrier(s) you face in achieving your career goals?

"I never realized that I need to start planning now for my future career. My Coach explained a lot of the options that I have to me and really helped me believe in myself."
