How do the students feel?

90% of respondents now feel more confident about making a career choice that would be a good match for their interests, abilities, strengths/skills, and talents.

88% of respondents now have a better understanding of the future education pathway alternatives that will help them achieve their career goals.

82% of respondents now have a better plan (or need to make adjustments to their current plan) for the classes, volunteer, and work experience, activities, etc. they need to take for the remainder of high school that will support their career goals.

In addition to ensuring that each student has a positive and educational experience, My Life! My Plan! aims to confirm that 3 primary goals are met during each workshop. At Riverside University High School, the following benchmarks have been successfully completed:

- ✓ *91% of all participating students have created short and long term goals by completing the "My Next Steps" worksheet - Please ask your coordinator if you would like copies for your review.*
- ✓ *100% of participating students have identified a career or career cluster of interest and have saved it to their plan in Career Cruising.*
- ✓ *100% of participating students have completed at least one interest assessment on Career Cruising*

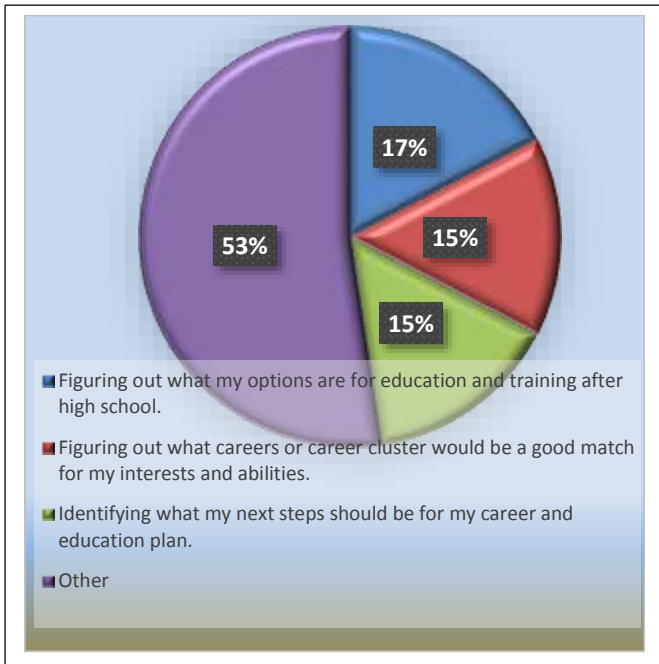

At the end of each workshop, students were asked to identify their top Career Cluster preferences. Of the 143 students who participated in the survey at Riverside University High School during the 2014 – 2015 school year, these were the top selections:

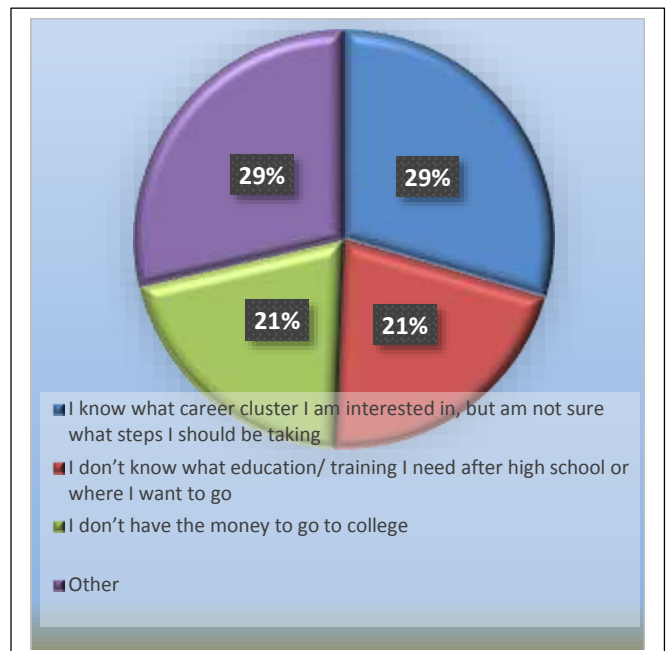

Career Cluster Preference	# of Students
Arts, A/V Technology & Communication	46
Design & Technology	42
Business, Management & Administration	40
Education & Training	39
Law, Public Safety & Security	35

Students were asked...

What do you feel are the MOST important topics to research regarding your future career and education plans?

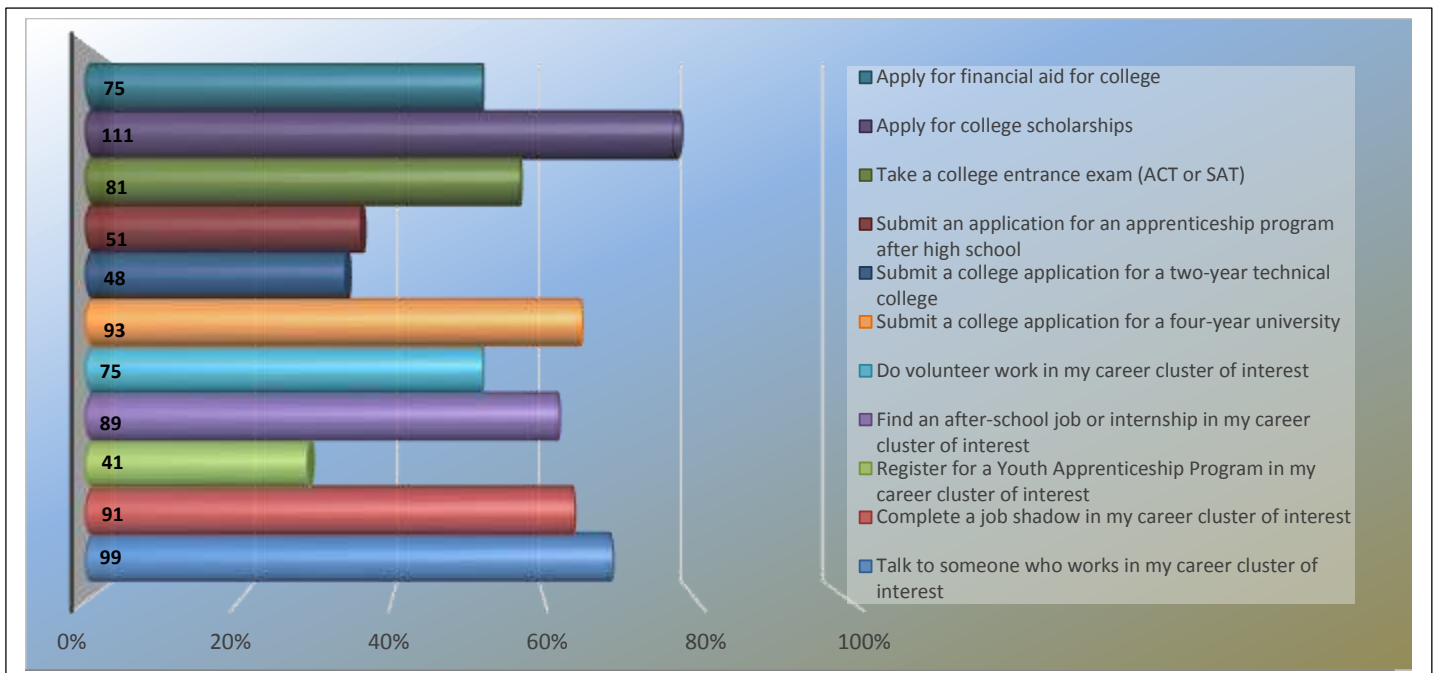

What is/are the greatest barrier(s) you face in achieving your career goals?

"It was so great to learn about career clusters. Learning how many jobs are in each of them really helped me to realize that I have a lot of options."

My Life! My Plan! walks students through the first steps in exploring in-demand career pathways – but the work doesn't stop there! At Riverside University High School, counselors will continue to work with the participating students, focusing on the following next steps:

- *A counselor or teacher will meet individually with participating students to track progress*
- *Work with college/career readiness partners to track progress*
- *MLMP information will be used in conferences with parents and/or students*
- *MLMP information will be used to help students choose future courses*
- *Conduct follow-up activities to further develop plan and encourage progress*

The My Life! My Plan! Career Coach volunteers play a HUGE role in the success of a workshop. At Riverside University High School, 100% of participating students have indicated that their Career Coaches made a positive impact on their experience. A special thank you goes out to the volunteers who assisted with the workshops.
