How do the students feel?

94% of respondents now feel more confident about making a career choice that would be a good match for their interests, abilities, strengths/skills, and talents.

93% of respondents now have a better understanding of the future education pathway alternatives that will help them achieve their career goals.

91% of respondents now have a better plan (or need to make adjustments to their current plan) for the classes, volunteer, and work experience, activities, etc. they need to take for the remainder of high school that will support their career goals.

In addition to ensuring that each student has a positive and educational experience, My Life! My Plan! aims to confirm that 3 primary goals are met during each workshop. At South Division High School, the following benchmarks have been successfully completed:

- ✓ *86% of all participating students have created short and long term goals by completing the "My Next Steps" worksheet - Please ask your coordinator if you would like copies for your review.*
- ✓ *100% of participating students have identified a career or career cluster of interest and have saved it to their plan in Career Cruising.*
- ✓ *100% of participating students have completed at least one interest assessment on Career Cruising.*

At the end of each workshop, students were asked to identify their top Career Cluster preferences. Of the 121 students who participated in the survey at South Division High School during the 2014 - 2015 school year, these were the top selections:

| Career Cluster Preference | # of Students |
|--|---------------|
| Arts, A/V Technology & Communications | 44 |
| Design & Technology | 41 |
| Food & Beverage | 33 |
| Law, Public Safety & Security | 31 |
| Science, Technology, Engineering & Mathematics | 24 |

Students were asked...

What do you feel are the MOST important topics to research regarding your future career and education plans?

What is/are the greatest barrier(s) you face in achieving your career goals?

"This workshop helped me to think about what I actually want to go to college for. I was able to figure out how my skills fit in with my Career Cluster and the timing of my next steps leading to higher education in order to reach my career goals."

-South Division High School Student

Tell us about your future plans. Please select ALL the steps that you intend to complete as part of your plan.

My Life! My Plan! walks students through the first steps in exploring in-demand career pathways – but the work doesn’t stop there! South Division High School counselors will continue to work with the participating students, focusing on the following next steps:

- Small group Career Cruising activities
- Career Cruising classroom guidance and lessons (by classroom teachers with assistance from counselors)

The My Life! My Plan! Career Coach volunteers play a HUGE role in the success of a workshop. At South Division High School, 100% of participating students have indicated that their Career Coaches made a positive impact on their experience. A special thank you goes out to the South Division volunteers:
