In addition to ensuring that each student has a positive and educational experience, My Life! My Plan! aims to confirm that 3 primary goals are met during each workshop. At WCLL, the following benchmarks have been successfully completed:

- ✓ 100% of all participating students have created short and long term goals by completing the "My Next Steps" worksheet - Please ask your coordinator if you would like copies for your review.

Students were asked...

What do you feel are the MOST important topics to research regarding your future career and education plans?

What is/are the greatest barrier(s) you face in achieving your career goals?

"I think the most helpful part of the workshop was that I now know what I need to do in the upcoming years to complete my career plan. I know a lot more about the job opportunities in the area. Communicating with the Career Coaches and hearing about their successes and failures was very helpful."
