

Career Plan Guide

Prior Assessment Completed

What is the best way to get the job you want? Do your RESEARCH and make a PLAN! Your plan will change over time, and that's ok. The important thing is that you always have a goal in mind and know the steps you need to reach your goal.

Let's review the key ingredients of the "perfect" job:

- #1 Find a job you LIKE.
- #2 Find a job you're GOOD AT.
- #3 Find a job that matches your work VALUES.
- #4 Find a job that will BE THERE.

Using the Career Assessments you have already completed, prepare to discuss the following with your coach:

- **The Career CLUSTER I am most interested in is:** _____
- **One JOB in this Cluster that I am interested in exploring further is:**

- Describe the *Job Description* or tasks performed in this job (job duties).
- What does this career pay?
- What is the *job outlook* is for this career. (Average? Bright? Below average? Job growth expected to be faster than average? etc.) In other words, what are your chances of finding a job once you've completed the required education and training? Will this job BE THERE?
- What are some of the high school courses are that you would need to take to prepare for this field.
- What education is required for this job?
- What school could I go to for the education I would need?
- What are the admission requirements for that school and how do I match up?
